

# SOUTHWEST EYE CLINIC

## *Lifestyle Questionnaire*

Name: \_\_\_\_\_

Southwest Eye Clinic is pleased to offer our patients the most advanced options for treating cataracts. Some of these advanced options can enhance your quality of life by reducing your dependence on glasses. These questions will help us determine the best recommendation for your vision and overall health.

- What are your favorite hobbies/job?

\_\_\_\_\_  
\_\_\_\_\_

- How important is it for you to read without glasses after cataract surgery?

Important \_\_\_\_\_ Not important \_\_\_\_\_

- If the doctor determines that you are an appropriate candidate for advanced technology currently available, would you like to hear about an implant that could significantly reduce/possible eliminate the need for glasses?

Yes \_\_\_\_\_ No \_\_\_\_\_

- Have you ever been told you have Astigmatism or worn contact lenses/glasses to correct the Astigmatism?

Yes \_\_\_\_\_ No \_\_\_\_\_

- How would you describe your personality on the scale listed below?  
(please circle the number below the line)
